Subject Area	Faculty Mandatory Subject	Prerequisite(s)	-

2. Subject Description

This is required subject and as part of group in Private law. Private law involves laws or provisions that regulate the rights, obligations, and interests of individuals within the community. Civil law deals with private cases such as people's law, family law, real and personal property law, inheritance law of Burgerlijk Wetboek (BW), and obligation law where the objective is to resolve conflicts between individuals. Therefore, the private law course is a very important course that must be understand by every law student whose discussion is based on BW. The topics covered in this course consist of the definition of Private Law, the history of the occurrence of BW in Indonesia, the material and formal Private Law in Indonesia, Written Private Law Resources, BW Systematics, Position and Development. This is a mandatory subject and part of group of General Substantive Law.

Subject of Private Law in the Study Program, Faculty of Law, Islamic University of Indonesia year 2017, given to students in the 2nd (Second) semester with 4 (Four) credits.
